

Kimberly-Clark Celebrates 30 Years Of Bright Futures With College Scholarship Awards

DALLAS, May 6, 2022 /PRNewswire/ -- Kimberly-Clark today announced it has awarded 2022 Bright Futures college scholarships totaling \$980,000 to 49 students for academic achievement and leadership in their schools and communities.

Now in its 30th year, Bright Futures provides scholarship grants worth up to \$20,000, or \$5,000 per school year, to children of Kimberly-Clark employees throughout North America. Recipients are selected based on academic performance, community service, work experience, and involvement in extracurricular activities.

Since its inception, the program has awarded \$46 million in scholarships to nearly 2,300 students for full-time study at accredited colleges and universities.

"We are proud to recognize the Bright Futures class of 2022 for their commitment to academic excellence and service to their schools and communities," said Jenny Lewis, Vice President of the Kimberly-Clark Foundation. "These scholarship awards are a sound investment in our next generation of leaders, and we wish these exceptional students and their families the best as they pursue their goals in higher education."

The average GPA for this year's Bright Futures scholarship class is 3.96. Awardees will attend leading colleges and universities, including Purdue University, the University of Notre Dame, and the University of Wisconsin. Past scholarship recipients have gone on to pursue successful careers in medicine, education, the armed forces, and engineering.
